Phone: 6395243030

PROFILE

Passionate and results-driven Web Developer with 2+ years of experience in designing, developing, and maintaining responsive websites and web applications. Skilled in HTML, CSS, JavaScript, and Django frameworks. Known for strong problem-solving skills and the ability to deliver high-quality code. Looking to contribute to innovative tech solutions in a dynamic team environment.

WORK EXPERIENCE

MS DIGITAL MARKETING AGENCY - Web Development Intern

Developing Django(Python Framework) and wordpress sites 2024 - 2025

Customer Service Executive (Call Center)

SBI Call Center
📍 Duration: 6 Months 2022 - 2023

PROJECTS

Full-Stack Development (Django)

- **College Management System:** Developed a comprehensive platform to manage student/faculty records and department schedules using Django and MySQL.
- **Insurance Claim Management System:** Created a secure portal for users to submit claims and for agents to track statuses, focusing on data integrity.
- **Hospital Patient Management System:** Developed a secure web application to manage patient records, appointment scheduling, and doctor availability. Implemented User Authentication and Role-Based Access for doctors, nurses, and administrative staff.
- **Food Ordering Site:** Built a dynamic e-commerce site featuring a real-time shopping cart and menu management via RESTful APIs.
- **Inventory Management System:** Developed an automated system to track stock levels, generate reports, and manage supplier data using MySQL.

MERN Stack Development (MongoDB, Express.js, React.js, Node.js)

- **Jagat-Med Health Portal:** Developed a responsive medical website using React and Vite, featuring dynamic routing, service listings, and contact forms. Deployed on GitHub Pages with optimized build configuration.
- **Online Course Platform (LMS):** Developed an educational portal with restricted content, student progress tracking, and certification.
- **Portfolio Website (React/Vite):** Designed and deployed a personal portfolio showcasing skills, projects, and contact info. Implemented responsive layout and SEO best practices.
- **Jagat-Education:** Developed a dynamic educational website featuring a responsive Hero section, course listings, and interactive UI components. Optimized the design for fast loading and cross-device compatibility using React.
